

We are always at work extending the awareness and records of past Mining activities in the Ipswich region.

- [\*\*Current Projects\*\*](#) - projects we are currently working on, and status reports if available.
- [\*\*Completed Projects\*\*](#) - here you can find information about what we have already completed since our formation in 2006.
- [\*\*Considered Projects\*\*](#) - Projects we are seriously considering in the future, as finances and other resources become available.

If you have ideas for projects which will help people be more aware of the depth of mining heritage in the area please use the contact us link to let us know about it. We are also interested in obtaining sponsorship or financial backing for some of our current and proposed projects, if you are considering this, please contact us.
